2023 A Level & GCSE Results

Summer 2023 saw some outstanding performances at both A level and GCSE, with our leavers securing places at a wide range of UK universities, including Durham, Bristol, UCL, York, Nottingham, Queen Mary's, Bath, Reading, UAL, and the Courtald.

At GCSE, 48% of all grades awarded a Grade 9 to 7, more than doubling the national average of 22.7% and securing a 100% pass rate. In Maths, 75% of grades awarded were 9-7, over three times the national average of 20.1%.

We look forward to welcoming our new Year 12 students into the Sixth Form as they continue their journey with us, and wish our leavers the very best of luck with their university studies.
