GENERAL

Kensington Park School is a co-educational, independent school for boys and girls aged 11 to 18 years old. Deciding on the right school for your child is very important and we always recommend a personal visit to gain as much information as possible at this stage. We hold regular Open Days throughout the academic year, which give a great introduction to the School, and we very much hope that you and your child can attend one of these events. Details about our Open Days can be found on our website. We are also happy to welcome parents and prospective students to visit the School at other times throughout the calendar year. To arrange an individual visit, please contact the Admissions team on admissions@kps.co.uk or on +44 20 7616 4400.

APPLICATION PROCEDURE

Kensington Park School is a selective school. Selection is based upon academic merit which is assessed through a combination of an entry examination, an interview at the school, current school reports and references from the candidate's previous school. Our selection process is designed to identify students who are able to benefit from our balanced and well-rounded education, and to make a positive contribution towards the life of the school.

The main points of entry are in Year 7, Year 9 and Year 12. The School may also have occasional places in other year groups. Please contact the Admissions team for details.

To make an application, candidates should register by the third Friday in November of the preceding academic year prior to admission. The Registration Form along with a list of required application documents is available on the school website and from the Admissions team.

EQUAL TREATMENT

Kensington Park School aims to encourage applications from candidates who come from a diverse range of backgrounds. We welcome candidates from all backgrounds, irrespective of nationality, race, religion, gender, sexual orientation or disability. Human rights and freedoms are respected but must be balanced with the lawful needs of our school community and the rights and freedoms of others. Not all age ranges are catered for and our facilities and capacity to deliver appropriate programmes for students with various kinds of disability (including special educational needs) are not all-encompassing but are developing.

DISABILITY AND SPECIAL NEEDS

Kensington Park School currently has limited facilities for those with disabilities or impairments. However, the school will do all that is reasonable to comply with its legal and moral responsibilities under the Equality Act 2010 and Special Educational Needs and Disability Act 2001, in order to accommodate the needs of candidates who have

disabilities for which, with reasonable adjustments, the school can cater adequately. We strongly advise parents of children with special educational needs or physical or mental disabilities to discuss their child's requirements with the school before they sit the entrance exam so that we can make adequate provision for them. Parents should provide a copy of the child's educational psychologist's report or a medical report at the Registration stage if they have one.

The school will discuss thoroughly with parents the adjustments that can be reasonably made for the child if they become a student at the School.

ASSESSMENT PROCESS AND ENTRY REQUIREMENTS

The aim of the assessment process is to identify potential. Kensington Park School is looking for well-rounded students with a genuine enjoyment in learning and with interests that stretch beyond the confines of the academic curriculum. We expect students to take full advantage of the School's many co-curricular activities, all of which are important in developing a well-balanced, confident individual. No specific preparation is required for the assessments. All candidates start on an equal footing with identical opportunities to display their academic aptitude.

Candidates applying for Year 7 – Year 10 entry sit three examination papers in Mathematics, English and Non-Verbal Reasoning which are designed for their age groups.

Candidates applying for Year 12 entry are required to achieve a minimum of 6 GCSEs at grade 9–5, including Mathematics and English, with a grade 6 in chosen A-level subjects (grade 7 in Mathematics is required to study Further Mathematics).

All candidates are required to submit a school report (and predicted GCSE grades for those applying for Year 12 entry), as well as attending an interview at the School as part of the assessment process. The School will request a reference from the Candidate's current school prior to a formal offer being made.

OFFERS AND ACCEPTANCE OF PLACE

Successful candidates will receive a formal offer letter and Acceptance documents within seven days of their interview. The Deadline for Acceptance will be stated on the formal offer letter. To accept a place, the Acceptance documents and the Acceptance deposit must be received by the Deadline for Acceptance. Acceptances received after the Deadline of Acceptance are not guaranteed a place for that academic year.

Overseas students should have a relative living in the UK with whom they can stay during holidays. If a student does not have a relative in the UK, they should have a UK-based Education guardian who they can reside with during holidays. Students entering the School from Year 9 are welcome to board with us.

A visa will be required if the candidate does not hold a UK passport or if the candidate does not hold Settled or Pre-Settled Status. Kensington Park School is a Student Sponsor under the Student Route System and the School is therefore able to sponsor both Child Student and Student applications. A Confirmation of Acceptance for Studies (CAS) will only be issued once the Acceptance documents have been received and the deposit and registration fee has been paid.

Parents of overseas students should appreciate that we do not run short-term study programmes and expect our students to complete their Year 7-13 education at Kensington Park School.
